Dear Mr. Jones:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

We have removed the memo entries from the report that you have determined to be activity outside the respective reporting period. This information was included as memos so that it would not calculate into the actual report activity and to provide a reference to prior joint fundraising activity.

We have amended our report. Please note no financial information has changed with this amendment.

I trust this response will meet your requirements, however please feel free to contact me if you have any remaining questions.

Sincerely,

Pat Huyck
